INT. TEACHERS LOUNGE - AFTERNOON

26

Randy, Candice, Trent, Mary and Nick enter. They turn on the light.

CANDICE DUNLAP

You were right Trent. This place is perfect.

RANDY SHELTON

So this is how the other half lives.

CANDICE DUNLAP

You act like you never seen chairs and a TV before.

RANDY SHELTON

Just never been in a teacher's lounge.

CANDICE DUNLAP

You're so cute sometimes.

Candice pinches Randy's cheek and walks away. Randy watches her and grins.

MARY MOORE

So are we gonna get this thing started. I don't want to be in school all day.

RANDY SHELTON

Trent's got the games and system in his backpack.

Trent gives his backpack to Randy. Randy sets up the video game system. Nick and Trent move chairs closer to the TV.

Randy and Candice grab a controller and take a seat. Trent steps in front of them.

TRENT FRANTZ

Ok. So here are the rules. You'll play three different games. You both picked one. The third is one of my choice. The first to win two will be the undisputed champion. Any questions?

RANDY SHELTON

Nope.

CANDICE DUNLAP

Just one.

(to Randy)

Are you ready to get your butt beat
in front of everyone?

RANDY SHELTON

Whateva.

(under his breath)

You're gonna get your butt beat.

TRENT FRANTZ

Ok. Have at it.

Nick stands by the door. Mary approaches him.

MARY MOORE

You're not gonna watch the games?

NICK NASH

Someone has to stand guard.

MARY MOORE

Why?

NICK NASH

You never know when they'll pop up
and get you.

MARY MOORE

Who?

NICK NASH

You know, them. Teachers. Parents.
Anyone. I got to keep my head on a
swivel.

Nick cracks the door, looks and quickly closes it.

NICK NASH (CONT'D)

We're good.

MARY MOORE

Ok. I'm going back over there.

Mary backs away from Nick. Nick opens the door again and
takes a quick look.
